

Taoist Ching Chung Primary School (Wu King Estate)
Pre-P1 Home learning Videos – Primary Literacy Programme

Together parents and students can watch these videos in the order of the days. Students can finish watching these videos in the summer holiday and early weeks of the school term. Some videos should be watched many times over a month so that the students can learn the words before schools starts and be prepared. Students should try to read the words or sentences and sound out the phonics. All the videos are on the YouTube channel, **Mark Ho – Teacher**.
